THINKING ABOUT GIVING GOLF A GO? OR TAKING THE NEXT STEP IN YOUR GOLFING LIFE?

Woodlands Golf Club has some great new initiatives to introduce you & your friends to the game of golf. If you think you would enjoy golf and want to learn more we can provide you a step by step pathway to golf club membership.

Step 1:

Get a group of you friends together for an enjoyable series of introductory golf clinics-*Get together with 6 or more friends and the clinic will be a private session at a time to suit you.*

*THINK THIS MIGHT BE
SOMETHING YOU WANT
TO CONTINUE WITH?*

Step 2:

We have the perfect next step to help you continue on your golfing journey it's called the Women's Introductory Membership pack and it will give you the entire golf club experience without the large upfront cost associated with becoming a member.

*Still not sure, but you
had fun - take another
5 clinics series and see
how you go.*

Step 3:

You can buy more than one pack & all money you spend on the Women's Introductory Membership Packs come off any future entrance fees if you become a full member.

FOR ESTABLISHED GOLFERS that are looking to take the next step in their golf career we have a new category called "Transfer of Membership".
